

Now that the cold weather has descended upon us, it's very important to ensure that our skin and hair have some extra loving care to keep it nourished and healthy.

Cold weather, heat pumps, open fires and wind are all factors that affect the skin and can greatly reduce the moisture content within. Our skin becomes dull, dehydrated, and in some cases crepey and cracked. Our Hair looks like straw and will benefit from a fabulous "alchemy" – magic in-salon treatment when you are in for your next style and blow wave.

We offer special winter warming promotions to nourish your skin and hair plus de-stress your soul over the winter months. Enjoy our complimentary Face and Body Seminars in August and the "IPL for Results" Package.

What's Hot

For the face, try our fantastic Joyce Blok Power Serums

These are used under your moisturiser for an energised, luminous complexion and a refreshed radiant glow. This will soften sun damage and banish a dull, uneven skin tone. RRP \$87.00 - \$138

SPF Essential for Winter

People often think they can stop using a sun block during winter.

But, as we know the sun's harmful rays do damage all year round, so recommending a moisturiser with SPF is a good way to protect the skin over winter too. Changes in temperature and heating all cause dehydration, so a Paraben free moisturiser with an SPF will ensure the skin is well protected from the elements. The NEW Joyce Blok Moisturiser SPF15 is now in store.

This age-defying, hydrating, moisturiser with SPF restores skin's essential moisture, while providing protection from sun damage in the future. Designed specifically for the NZ environment for the 35+ age group it contains potent anti-oxidants Vitamin E which aids tissue repair and is important for cellular metabolism plus white tea extract, and shea butter. The extra anti-wrinkle peptides of Hyaluronic Acid naturally hydrates the skin and plumps the dermal section of the skin.

Ask your beauty therapist about it at your next Face and Body appointment.

RRP \$75 for 50 ml.

Phone now and book a one hour 'Coconut Sugar Glow'

Begin with a body exfoliation using Pure Fiji Sugar Rub – an Energising Body Polish. We use deep, slow circular motions to ensure that the dead skin cells are removed thoroughly. Hot glorious towels remove the scrub from the body and then we add to the recipe delectable body butters and exotic nut oils which are massaged into your skin. The products contain Virgin Coconut, Dilo and Macadamia Oils and Raw sugar cane enriched with Vitamin E to smooth away impurities and stimulate circulation and soften the skin providing a glow to the body;

Dilo Rescue- Soothe, nourish and replenish skin

The pristine Fiji Islands are home to the scared Dilo tree- also known as the 'tree of a thousand virtues'. Growing on white coral sands, the scared Dilo tree draws its sustenance directly from the nutrient rich warm waters of the Pacific Ocean.

Traditionally it is known to possess a unique capacity to enhance the skin's own repair mechanism, thereby accelerating the healing of wounds and the growth of healthy skin. For this reason, Dilo Oil is widely used as a traditional topical aid. Comes in a Bath Soak, Lotion, Body Butter and Spray.

Soothe, nourish and replenish skin affected by: • Sunburn • Rashes • Insect Bites • Windburn • Dermatitis • Acne • Eczema • Shaving irritation • Babies suffering from dry, eczema...

News on the Latest Skin Rejuvenation Techniques

The Beauty Therapy staff have been studying and are training in **Dermal Micro Needling**.

This is a new innovative manner in which to promote rejuvenation of your skin.

Dermal micro Needling is a non-surgical and non-ablative treatment with the following results: Fine lines and wrinkles are softened, our skin is thickened and elasticity restored

,acne scarring and minor scarring is reduced, pigmentation marks are lightened

And there is a very short healing period and all areas of the face, neck and body can be treated. We shall keep you posted on the website and facebook and we will demonstrate this procedure at the Anti-ageing seminar on 10th August.
